Staff members are required to abide by the rules and regulations set forth by the Camp Director. Participation in pre-camp training is also a part of the obligation for all camp staff members. Some camps offer a Chipmunk Program for a younger brother or sister of a Cub Scout whose parent is on staff. Check with the camp director to see if a Chipmunk Program is being offered at the camp you and your son are attending.

Key Camp Staff Job Description:

- 1) Time requirement: Full week of camp
- 2) Reimbursement - Cub Scout goes to camp free. Payment is made at time of registration and reimbursements, if earned are processed at the end of camp.
- 3) Pack Leader Requirement: Each Pack must have a minimum of 2 leaders per day (see Day Camp information elsewhere in this catalog). Adults who work in a key camp staff position will NOT count towards their Pack's adult leadership requirements.
